Re:

U.S. Patent Application Serial No.: 09/771,011

Method and System for Facilitating Wireless, Full-Body, Real-Time User

Interaction with Digitally Generated Text Data

Filing Date: January 26, 2001 Allowance Date: September 3, 2003

Dear Examiner Cao:

In confirmation of my voice mail message of earlier today, we submit the following letter which confirms the action which we respectfully request in connection with the above-identified, now allowed, patent application.

We note that Box 5 on the Notice of Allowance (copy attached) Form PTOL-37 for the above-identified patent application was not checked which states "Acknowledgement is made of a claim for domestic priority under 35 U.S.C. § 119 (e)(to a provisional application)."

On page 2, lines 1-3 of the originally filed patent application, Applicants made a claim for domestic priority under 35 U.S.C. §119 to U.S. Provisional Application Serial No. 60/178,228 filed on January 26, 2000. Applicants respectfully request that a supplemental Notice of Allowance that acknowledges Applicants' claim for domestic priority is faxed to 212 753 6237.

Thank you in advance for your kind attention to these matters.

Sincerely.

MATCH & RETURN

Lisa J. Ulrich

Attorney for Applicants Registration No. 45,168
